742 ST. NICHOLAS AVENUE CONDOS

A pre-war condo conversion at 742 St. Nicholas Avenue by 147th Street is now available on the market through Warburg Realty. The landmarked building on Sugar Hill built in 1900 has 29-units available ranging from 467 to 1,066-square-feet with some interiors featuring working fireplaces alongside modern upgrades. The express train station is on the same block which will get one to midtown in about 15 minutes and better restaurants are opening in the neighborhood almost every other month. Prices start at \$780k. For more details of these renovated residential units that boast 10 foot ceiling, go to the official website: www.742stnicholasave.com
